

2007 Council on Legislation

Re: Legislation to be considered by the 2007 Council on Legislation

Dear Rotarians:

The Constitution of Rotary International provides that the Council on Legislation shall meet every three years at a site determined by the RI Board of Directors. In 2007, the Council on Legislation will meet 22-27 April in Chicago, Illinois, USA.

This book (Volume I) contains legislation proposed to the 2007 Council by clubs, districts, the RI Board and the General Council of RIBI. All of this legislation was received by the 30 June 2006 deadline, and the RI Board, working on the advice of the Constitution & Bylaws Committee, found this legislation to be “regular” as initially proposed. A list of those pieces that were determined to be “deficient,” “defective,” “deficient and defective” or “not within the framework of the program of RI” can be found at the back of the book. Definitions of these terms can be found in Article 7 of the RI Bylaws.

There are two types of legislation: enactments and resolutions. A proposed enactment seeks to amend the RI constitutional documents. These include the RI Constitution, the RI Bylaws and the Standard Rotary Club Constitution. A proposed resolution is legislation that does not seek to amend the constitutional documents. All of the enactments reference page numbers from the 2004 *Manual of Procedure* (MOP). For ease of reference, all of the legislation has been printed in subject matter order.

At the request of the RI Board, Purpose and Effect Statements and Financial Impact Statements have been added to each proposal. The Financial Impact Statements reflect the estimated additional revenues that will be received and/or expenses that will be incurred to implement a proposed resolution or enactment. No attempt has been made to evaluate any proposal with regard to its merit. Such evaluation is left to the individual club and Rotarian.

Pursuant to the RI Bylaws, the Constitution & Bylaws Committee has recommended compromise legislation to proposers of similar legislation. By suggesting compromise proposals, the Committee is not expressing any opinion as to the merits of the proposals. Those compromise proposals that have been accepted will be published in February 2007 in a second book of legislation (Volume II). Volume II will also contain the complete text of duly proposed legislation that has been amended. In addition, it will contain notification of any errata in Volume I. The RI Board has directed that legislation determined to be deficient, defective, or not with the framework of the program of RI not be published or transmitted to the Council.

As required by RI's constitutional documents, we will mail Volume I to the governor of each district and all members of the Council. We will mail this book by 31 December 2006 to each member of the Council. At that time, we will also send two printed copies and eight CD-ROMs to all governors. Governors and members of the Council who usually receive RI documents in French, Japanese, Korean, Portuguese or Spanish will be sent legislation in the appropriate language. The book will appear on Rotary's website, www.rotary.org, in all of the languages. Finally, a binder of all regular legislation will be presented to members of the Council when they arrive in Chicago; this legislation will be in the proposed order of consideration.

Also, our Council representatives have a great opportunity to help shape Rotary's future. Should you have questions about the Council over the coming months, you may contact Monica Wanat in the Council Services section of RI.

Sincerely,

Ed Futa
